

StaminaFibre®

THE THRILL IS IN THE FILL

Referred to as synthetic down, StaminaFibre® is revolutionary new man made filling material that really feels like natural down. Best of all, it is hypoallergenic and completely washable. Unlike feather, foam and polyester, StaminaFibre® pillows duvets and featherbeds remain fluffy and resilient even after repeated wash cycles. No other filling material can make these claims.

HOW TO PRESERVE THE LIFE OF YOUR StaminaFibre® PILLOWS, DUVETS & FEATHERBEDS!

StaminaFibre® products have proven to last several years longer than any other in the market. Given a little "tender loving care", your StaminaFibre® products will always give you and your clients the pleasing comfort and support that you expect.

WHAT IS SO GREAT ABOUT StaminaFibre® PILLOWS, DUVETS, & FEATHERBEDS?

- Goose down like comfort & support: The StaminaFibre® collection combines the traditional qualities of European Goose Down with the advantages of synthetic fibres.
- Hypo-allergenic & inherently antimicrobial; Some people want the comfort of Goose Down but are allergic to natural fills.
- Like Natural Down, StaminaFibre® Pillows, Featherbeds & Duvets can be shaped for individual comfort, offering support for multiple sleep positions.
- Extremely Cost effective, The StaminaFibre® collection resumes its original fluff, form & comfort even after repeated wash cycles- time after time, year after year.
- Proven dust mite control & anti-allergen properties.

StaminaFibre® PILLOWS
Machine Washing: Wash separately, at warm or permanent press setting. Always balance the load. For best results, use a front loading washer.

Machine Drying: Tumble dry at *permanent press* setting.
 → **Note:** Pillows may take a few hours to dry depending on your machine. For additional agitation, place clean tennis balls in with pillows. If pillow feels clumpy, keep drying until all synthetic feathers feel light and fluffy. → **Note:** NEVER allow any StaminaFibre® product to sit in a hot dryer after the drying cycle is over.

StaminaFibre® DUVETS & FEATHERBEDS
Machine Washing: Wash separately using a commercial grade front loading washer. → **Note:** Do not overload! Wash and rinse at *permanent press* setting. Always balance the load.

Machine Drying: Tumble dry separately in a large capacity dryer at *permanent press* setting with cool-down cycle.
 → **Note:** Do not overload! If cool-down is not available, you may have to remove from the dryer right after the dryer stops completely.
